

OUR SPECIALISMS

ACCIDENT AND HEALTH

As a global provider of insurance and reinsurance broking services for life, medical expenses, accident, group life catastrophe, travel and emergency assistance covers, we offer a range of accident and health insurance solutions to our clients.

AEROSPACE

Our aerospace team has built a strong reputation in this challenging, highly specialised market. Our ongoing commitment to the sector is shown by the fact that, over the past five years, we have grown more than any other broking team in the sector.

CARGO, SPECIE AND FINE ART

Our leading cargo, specie and fine art team is skilled in arranging complex insurance cover and offering a fresh perspective, adding value by listening closely to clients and providing custom-made programs.

CLAIMS AND CLAIMS CONSULTING

Our specialist claims consultancy, Echelon, is a global team of chartered loss adjusters that manages major and complex claims on behalf of policyholders. We know how insurers operate, what information they need to settle claims, and how best to present it.

COMMUNICATIONS, TECHNOLOGY & MEDIA

With our track record of working on innovative, challenging projects for clients around the world, our communications, technology and media team is a recognised industry leader.

CONSTRUCTION

Placing more than £300 million of construction premium each year in the London market, our leading construction team offers a strong mix of construction and real estate expertise, along with excellent market relationships.

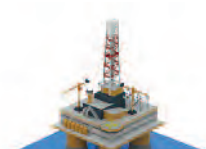

CREDIT, POLITICAL AND SECURITY RISKS

Political and economic risks, terrorism, political violence, kidnap and extortion can all impact balance sheets, brands and reputation. Our team – which is known as one of the most innovative and experienced in the market – helps clients to identify and manage such risks effectively.

CYBER RISKS

Our team can help with the whole range of cyber risks, from cyber extortion to multimedia liability and outsourcing risks. We have access to specialist insurers with broad policy wordings, as well as a range of policies exclusive to JLT.

ENERGY

Our leading team places more energy business at Lloyd's than any other broker. We offer retail and wholesale solutions and, as dedicated energy specialists, we genuinely understand your business and speak your language.

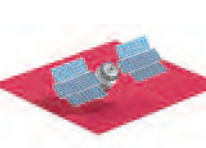

FINANCIAL LINES

Our financial lines team offers insurance for financial institutions, professional service firms and major corporate organisations from our hubs in London, Asia, the US and Australia. We offer expert advice and have gained a reputation for innovation and excellent service.

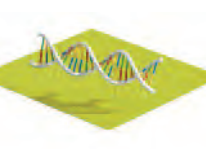

FOOD AND AGRI

For more than 20 years, our team has been providing first-class insurance programme design, client service, risk management and claims handling services for some of the world's leading food and agriculture businesses.

GLOBAL SERVICE TEAM

We offer support to global clients across all sectors, providing a single point of contact and doing all the legwork for you – such as understanding country regulations, speaking local languages and building vital relationships.

LIFE SCIENCE AND CHEMICALS

For more than 10 years, we've been one of the world's leading liability brokers for larger life science companies. One reason behind our success is that many of our team members began their careers in the sector, so we understand your business inside out.

MANAGEMENT LIABILITY

We provide tailored advice and solutions to meet the management liability needs of our clients across a wide range of industries and geographies. Working with the global service team, we ensure global and local policies combine seamlessly and effectively.

MARINE

Marine insurance is at the heart of JLT Specialty. Our team of more than 110 specialists invests heavily in developing relationships and gaining knowledge of your operational needs to help you overcome challenges and get results.

MINING

Our mining team has in-depth knowledge of the complex risks mining presents, spanning a wide range of minerals and commodities, along with strong trading relationships with mining insurers and reinsurers worldwide.

NUCLEAR

Our nuclear team brings together construction, private finance and nuclear expertise, as well as in-depth understanding of the decommissioning, construction and operation of nuclear power facilities. We were the first team to settle a Paris Convention nuclear liability claim.

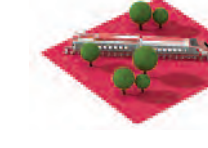

POWER

Our power team covers every type of risk for all forms of power generation, from fossil fuels to nuclear and renewable energy. Our clients value us being by their side throughout the entire life cycle of a project.

PROPERTY AND CASUALTY

Our specialist team focuses on complex property and casualty risks. We leave no stone unturned to get the best deals for our clients and our proactive approach ensures we're a leading force in the London market.

RAIL

Good rail risk management demands joined-up thinking, so we offer in-depth industry knowledge alongside our core capabilities of insurance broking, risk financing and risk consulting. Our team includes rail experts who understand your business and speak your language.

REAL ESTATE

Our real estate team works with a wide range of commercial and residential property clients. Whether you're funding, developing, buying, selling, building, holding or managing property, we understand the risks you face and the help you need.

RENEWABLE ENERGY

The JLT Group is the largest provider of renewable energy insurance services. We have expertise across all project phases, from planning and construction through to operation, maintenance and decommissioning.

RESTRUCTURING AND RECOVERY RISKS

Our team is a recognised leader in this area and we provide some of the most innovative risk solutions available for professional service firms, insolvency practitioners, property receivers and law firms. We develop strong relationships with partner firms, as well as with the professional associations and member bodies.

SPORT, MEDIA AND ENTERTAINMENT

We offer a range of insurances for event organisers, governing bodies and professional sports clubs. We've built a reputation for our innovative risk and insurance solutions, as well as our in-depth understanding of the sport and entertainment industry.
