LEGAL SECTOR EXPERTISE

The legal services sector is a key industry specialty in its own right for us. We are the only insurance broker to specifically specialise in the particular risks that face law firms and the solutions to those risks

- Our experience of your industry means we understand the operating environment and specific risk profiles of law firms. We provide bespoke programs, with emphasis on employee benefits and PI
- We have long-standing relationships with the specialist markets for lawyers' risks
- Our teams deliver the best match in the Australasian and Global markets for lawyers' unique risks

in claims payments collected by JLT London in 2014

Claims management is a front office function

Claims teams in the heart of the market
Your account manager is responsible for resolution

- Civil
- Criminal
- Privacy
- Regulator
- Employment
- Investigation

Retail and wholesale integrated

- Exclusive, manuscript PI wording
